

Bytom (BTM)

About : Bytom is the infrastructure of asset Internet. Any peer-to-peer financial applications and asset applications from institutions and individuals could be built on Bytom chain.

Advantages :

- 1) Intelligent :** Consensus algorithm promotes, AI techniques, Calculation power actually using
- 2) Flexible :** Customize Your Smart contract, Completely control assets
- 3) Efficient :** Digital Asset Atomic Transfer, High concurrent exchange, Adaptable to different business environments

Roadmap

[2017-01] Project Established : The Bytom Blockchain project formally begins in January 2017.

[2017-09] Testnet Released : Bytom 0.1.0 BigBang version released. China Hangzhou's First Public Chain Bytom Releases The Alpha Testnet "BigBang".

[2018-04-24] Mainnet launched : Version 1.0 of the Bytom Blockchain(Mainnet) is officially released.

[2018-05-07] Mainnet Swap : Complete Mainnet swap, POW support and optimization.

[2018-07-26] Smart Contract Launch : BThe release of smart contract also marks the establishment of its core, which will further promote the commercialization of the project.

[2018-07-09] Mainnet Improvement

- **Network:** Large-scale deployment and monitoring of full nodes and light nodes, and peer-to-peer network communication and route upgrades.
- **Basic Expansions:** Polish Blockchain Explorer, mobile wallet, ODIN-based public chain ID system.
- **Contract Support:** SDK Development, Enterprise-level Smart Asset Signature System, Bytom Virtual, Machine(BVM) Multi-language Support Phase1.

[2018-10-12] ToB DAPP Development Support : Business side compliance commercial application DAPP development support: Corporate Digital Financial Management System, Multi-asset configuration DAPP series, Peer-to-peer financial application suite, Blockchainized assets market, BVM Virtual Machine Multi-language Support Phase2.

[2019-1-3] Ecosystem and Business :

- The first batch of partners reach cooperation.
- Realize the circulation of multiple asset on chain.
- Bytom First Developer Conference Bytom Devcon 1.
- Bytom Asset Ecology Conference Asset 2020
